Kirby India Secures 5,000 MT Project from SEL Manufacturing

KIRBY INDIA has secured a PEB order for 5,000 MT with approx. value of 2 KDM spread over 200 thousand sqm area from SEL Manufacturing Limited. SEL is a textile company that manufactures and exports readymade garments, textured yarn, knitted cloth and cotton yarn. As part of its expansion plans, the Company is planning to set up a Spinning unit with an investment of over 48 million KD in Madhya Pradesh in India. The project would fall under the Govt. of India's Textile Up-Gradation Fund Scheme (TUFS). The ground breaking ceremony was performed by Chief Minister of the state – Mr. Shivraj Chauhan.

Kirby India and SEL Manufacturing have a strong and fruitful relationship with SEL acquiring 15 orders of nearly 3,200 MT over the last 5 years from Kirby. The timely completion of all these projects with buildings of highest quality standards at the most economical price has been a major contributing factor in achieving this order.

Kirby MEA wins prestigious 2000MT Project

Kirby Buildings Systems Dubai Sales Office bagged a 2,000 MT order for supplying Pre-engineered Buildings for a cement plant project in Angola. The order was placed by ETA Star International, the EPC Contractor for the project. ETA star International is part of the ETA Group, one of the biggest MNC Groups in the UAE. The Project comprises of supplying buildings for Lime stone storage, a palletizing plant and a paper bag manufacturing facility spread over an area of 36,305 Sq meters. The construction market in UAE is still in recovery because of which there was very tough competition for this project.

S.V Rao appointed Group General Manager for ISEA

S.V. Rao, of Kirby India was appointed as Group General Manager for India and Southeast Asia. Rao has a decade long association with Kirby Operations in India.

This positions him well to provide strategic leadership and guidance for our expanding businesses of Kirby India & Vietnam and Rockwool India.
