Kirby books landmark Lulu hypermarket project in Jubail, Saudi Arabia

Kirby Buildings Systems secured an order to supply steel structures for Lulu Hypermarket, Jubail. The project is spread over an area of 22,000 square metres. This job builds on Kirby's successful track record of securing flagship projects in the retail and the distribution sector in the MEA market. Kirby is proud of its history of close collaboration with world renowned brands like IKEA, LULU hypermarkets, Sultan Centre and Metro Cash & Carry.

Kirby Participates in the BIG 5 Jeddah, Saudi Arabia

Kirby participated in the inaugural BIG 5 Jeddah, Saudi Arabia 2011, held at the Jeddah Centre for Forums and Events from 27th February - 2nd March 2011. BIG 5 is one of the major construction industry exhibitions in Middle East and brought together participants from leading consultancies, contractors and government ministries. The event was an opportunity to speak with customers about our capabilities to design and deliver steel structures and buildings as well as new product solutions such as open web joists and curved built up members.
